## Poetry + Theology Guidelines

*Seminary Ridge Review* welcomes poetry submissions year-round. Please send up to five unpublished poems with some connection to theology. The poetry rubric is multi-faith. Readers are primarily alumni/ae of Gettysburg Seminary (parish pastors, chaplains in various settings, social ministry advocates and leaders, and educators) as well as current graduate students and faculty. It is also distributed to the libraries of other seminaries and divinity schools.

*Seminary Ridge Review* appears biannually. Single issues are available for \$ 9.00. Recent issues may also be viewed on the website:
