### Title IV Federal Loan Proceeds Authorization

Federal Stafford Loan funds must first be used to pay for tuition, fees, and on-campus room and board. If loan funds remain, it is your choice if they are applied toward additional charges.

I authorize Lutheran Theological Seminary at Gettysburg to apply any Title IV Federal Loan funds I receive toward all of the charges listed below which may be assessed to my student account over the course of the academic year of this application:

- Student Health Insurance premium or waiver
- Student Association Dues
- Technology Fee, including internship
- Community Life Fee (per year)
- Book Store charges
- Late Registration Fees
- Finance Charges
- Emergency Loans

I do not authorize Lutheran Theological Seminary at Gettysburg to apply any Title IV Federal Loan funds toward the above mentioned charges on my student account.

I also understand that if I do not authorize LTSG to apply any Title IV Federal Loan funds toward the charges mentioned above and my student account is not paid in full by the first day of each semester, I will be subject to surcharges and not allowed to register for classes in any future semester. I further understand that I may rescind my authorization at any time.

I declare that the information I have submitted in this application is, to the best of my knowledge and belief, true, accurate and complete.
