## Gettysburg Seminary and Thrivent Financial for Lutherans Quilt the Campus for Lutheran World Relief (LWR)

Lutheran World Relief

Help transform this historic campus, the site of the first day of the Battle of Gettysburg, into 52 acres of aid, care, prayer and hope for people living in disaster ravaged corners of the world. All the quilts delivered to the Gettysburg Seminary campus on August 26 will be sent to areas of urgent need.\*\*

Gather 1,892 quilts, (60" x 80" to LWR specifications) to cover Gettysburg Seminary's 52-acre campus

Goal 2: Raise \$ 4,257 for the LWR Quilt and Kit Shipping fund; the cost to deliver

each one to the area of need is roughly \$2.25 per quilt

\*\*Groups already working on quilts for another LWR quilt in-gathering later in the fall may participate by notifying the Seminary, QuiltTheCampus@Ltsg.edu, regarding the number of LWR quilts to be finished by August 26. You need not bring quilts to campus. Just send a delegation (the more the merrier) with a quilt to represent your group's efforts!

At the annual Friends of Gettysburg Seminary (FrOGS) Leap-In we gather for a relaxing day of intergenerational fun, food, live music, learning, worship and service. Come welcome new and returning seminarians and their families!

- Tour our historic campus and get an inside glimpse of seminarian life.
- Play inter-generational games; help our team start training for the Luther Bowl!
- Bring items to help restock our student food pantry (non-perishable foods, fresh produce, laundry and cleaning supplies and paper products)
- Bring a gift for the Seminarian Scholarship Fund. Every gift of at least \$10 will clear a "frog" from a student's path to ministry.
- Buy a seminarian supper at the picnic and order a boxed supper for yourself if you'd like!
- Be a prayer FrOG! Get names of students for whom you & your congregation can pray this year.
- Be a FrOGS volunteer for the day!
