

# Come to the Great Gettysburg Seminary Leap-In!

**Friday, August 20**

**1:30-7:00 PM** all are invited to become **FrOGS** Friends of Gettysburg Seminarians!

**Leap-In Headquarters:** Valentine Hall (air conditioned!). Events will also take place on the lawn of Schmucker Grove at the corner of Springs Ave. and Seminary Ridge (rain or shine!)

**All ages are invited** to the Gettysburg Seminary campus for an open-house of fun, food, music, learning, worship and fellowship.

- Come and help welcome our newest students and welcome back returning students. Tour our historic campus and get an inside glimpse of seminarian life. Play inter-generational games and help our team start training for the Luther Bowl! Witness a Plague of Biblical Proportions get transformed—it's sure to be ribbeting!!
- Bring items to help restock our student food pantry (non-perishable foods, fresh produce, laundry and cleaning supplies and paper products)
- Bring a gift for the Seminarian Scholarship Fund. Every gift of at least \$10 will clear a "frog" from a student's path to ministry. Let my people go....to seminary!
- Buy a Seminarian supper at the picnic—and order a boxed picnic for yourself if you'd like!
- Take home names of students for whom you and your congregation can pray this year!
